FOR IMMEDIATE RELEASE**Durante Rentals Opens Fourth New York Location**

New 12,500 Square Foot Rental Hub Opens in Elmsford, N.Y.

Elmsford, N.Y. (May 9, 2014) - **Durante Rentals, LLC** has expanded their presence with its fourth location in the New York tri-state area and it's second in Westchester County. At its newest location, located in Elmsford at 122 N. Saw Mill River Road, [Durante Rentals](http://DuranteRentals.com) will operate a full service construction equipment and tool rental house from its 12,500 square foot facility.

Durante carries a large variety of construction and general contracting related equipment for rent and sale including scissor lifts, generators, air compressors, cement mixers, chainsaws, landscaping and earth moving equipment. As the newest NY, Westchester and Rockland County [Takeuchi dealer](#), the Elmsford location will serve as their main showroom showcasing their most popular models of Takeuchi compact excavators, skid steer, track and wheel loaders. As a full service dealer, Durante specializes in all aspects of rentals, sales, parts and service for many well-known manufacturers.

Durante Rentals takes pride in their family name which for the past 50 years has been well known throughout the construction industry in New York. They employ a team of friendly, well-trained professionals that take pride in the top-notch customer service they provide their local contractors. Durante is one of the fastest growing rental companies in the industry as evidenced by their inclusion to Inc. 5000's list of fastest growing privately owned companies (#1,879 in 2013).

"We are extremely excited to open our fourth location and expand our reach in the tri-state area," said John Durante, President of Durante Rentals. "Elmsford's strategic location on 9A right at the intersection of Interstate 287 will allow us to better service the Westchester, Rockland, New Jersey and Connecticut markets".

"Our Westchester customers enjoy renting our equipment as it is a newer fleet and very well maintained. To grow as fast as we have is a testament to the power of word of mouth from our happy customers," says Anthony Durante, CEO and Director of Sales.

Durante Rentals is proud to be an active member of the Elmsford community. They're committed to the communities where they do business as evidenced by the significant investment they've made to the overall look and design of the new store. Durante Rentals is also a proud supporter of the Westchester Business Council and the Food Bank of Westchester.
