FOR IMMEDIATE RELEASE

Durante Rentals and New York Takeuchi to Exhibit at the 28th NYC Parks Vehicle and Equipment Show

NEW YORK, April 12, 2016 – Durante Rentals and New York Takeuchi, a division of Durante Rentals, will once again be showcasing their latest Takeuchi earth-moving machines at the **28th NYC Parks Vehicle and Equipment Show**. The event will take place on May 12th, from 9am to 2pm, in Flushing Meadows Corona Park, by the iconic Unisphere.

The free event is hosted by the NYC Department of Citywide Administrative Services and will feature food, entertainment, games and excitement along with an exclusive look at the latest in light and heavy-duty vehicles, trucks, horticultural equipment, tools, fleet sustainability related services and more.

Durante Rentals will be displaying their [Takeuchi mini excavators](#), skid steer and track loaders around the circumference of the Unisphere. Attendees are encouraged to take an up-close look at these powerful, rugged and reliable machines and to take advantage of special show pricing.

The event will feature a special focus on high tech safety devices including cameras and fleet management technology aimed at reducing collisions and other causes of workplace injuries. There will also be a continuing emphasis on green technologies like alternative fuels and emissions reduction systems.

This year, the show will once again feature several vendors supporting NYC's Vision Zero safety initiative as well as the brand new Clean Fleet initiative which aims to cut NYC's municipal vehicle emissions in half by 2025.
