Durante Rentals Opens Their Seventh Location in Brewster, NY

New hub is their second in Putnam County and offers 13 acres of construction equipment and tools for rental, sale or service

New York, July 12th, 2016 -- Durante Rentals LLC has opened the doors to its seventh New York-based location at 11 Fields Lane in Brewster, NY. Located down the block from the Brewster Ice Arena, this sprawling 13-acre property is their second in Putnam County and comes just seven months after the opening of their first Putnam-based hub in Carmel, NY.

[Durante Rentals](#) now boasts a total of seven convenient locations, with their main headquarters residing in Flushing, Queens. Their other locations are conveniently located in the Bronx, Mt. Vernon, Elmsford, West Nyack and Carmel, NY. "With the purchase of our Carmel store back in December of 2015, and with the opening of our West Nyack store in April of 2016, we recognized the need for a northern hub to service Westchester, Rockland and Putnam Counties, and found that Brewster was an ideal location to accomplish this. Our Brewster facility is truly a unique location as we can service several other prospective, smaller stores, in the Connecticut and Hudson Valley Region. This opportunity allows us to expand our footprint greater than ever before," said President John Durante.

This hub's dedicated team of knowledgeable and enthusiastic rental coordinators, drivers and mechanics are at the ready to serve the local contractors, municipalities and homeowners of Brewster and adjoining communities. "Our trademark "customer-first" service that has become the hallmark of all our Durante stores will surely be a boon to the Brewster business community," said CEO Anthony Durante. "As cliché as it may sound, our blueprint for success has always been putting the customer first. Along with our excellent service, we have the newest rental fleet in the area which is sure to have our customers both excited and productive."

Durante Rentals has always tailored their stores to the communities they serve, each perfectly suited for the unique work and job-site applications their local customers are accustomed to. With more and more equipment arriving daily, the Brewster yard is stockpiled with boom lifts, mini excavators, utility vehicles, scissor lifts, rollers, telehandlers, skid steers and so much more. The indoor showroom features chainsaws, cut-off saws, diamond blades, traffic safety products, accessories and more. In addition to equipment and tool rentals, the Brewster location will also offer sales, parts and service for all makes and models of equipment. As Putnam County's exclusive Takeuchi dealer, the Brewster location will also showcase the extensive line of Takeuchi compact excavators, skid steer, track and wheel loaders under Durante's [New York Takeuchi](#) brand.

Durante Rentals Brewster is open from 7 a.m. to 5 p.m., Monday through Friday and Saturday 7 a.m. to 12 p.m.
